Part 3

Harnessing the Power of the Computer

We have lots of options when it comes to typing up knitting charts, whether we're creating our own designs or charting someone else's written-out instructions. We'll walk through those options in detail so we can choose our preferred method.

Part 3 also contains lots of hints for typing up and using knitting charts. The list of all the symbols in the knitting font makes it for us easy to copy and paste any of the symbols into our charts.
