

DH's Autumn Heather Yoke Sweater

Pattern: EPS (Elizabeth's Percentage System)

Source: EPS is in a variety of Elizabeth Zimmermann's and Meg Swansen's books

Yarn: Knit Picks Palette in Autumn Heather, 13 skeins, 650 g

Gauge: 21.5 sts = 4 in holding two strands together (I used a size 4/3.50 mm needle)

Finished: 2008

Tags: seamless, crew neck, circular yoke, grafting

Notes

Even though the gauge was about the same as with WotA Worsted in his Green Monster Cardigan, the sweater feels lighter.
